
In Somalia, US Army Rangers are ordered to capture a high-ranking terrorist suspect. The mission goes awry, and the US soldiers find themselves up against an overwhelming number of hostile Somalis as they try to rescue unarmed hostages from a fortified stronghold. In scenes that defy belief, using only their personal sidearms and rifles as weapons, the Americans hold back wave after wave of terrorists until they can be rescued by a small group of Delta Force Operators flown in for the operation. The battle scenes are gripping and invigoratingly chaotic as well as endlessly impressive in terms of their technical virtuosity.
